He doesn't fit in with the rest of the Superman Family, and the rest of the world doesn't really need him with so many Supers in Metropolis. He doesn't want to rely on Tim, Cassie, and Bart, so Conner looks to the stars as a place he might be able to call his own and carve out his own path. But what lurks in the great unknown? Are bravado and swagger enough to help Superboy find his new calling? This is the 2022 Round Robin winner—picked by you, the fans!

The Corinthian has been turned loose on our realm once more, and this time he sets his sights on the very root of rapacious American capitalism—Silicon Valley. His relentless pursuit of the Smiling Man will carve a bloody path from the C-suite of Prophet Capital to the bowels of a demonic nightclub, and no one will be safe from his reach. Not Ken, living large in the Bay Area since parting ways with Barbie all those years ago. Not Max, a nervous hedge fund manager on the rise who's never quite fit anywhere. Not anyone.

Multiple Eisner Award-winning writer James Tynion IV reunites with superstar horror artist Lisandro Estherren to bring you the nightmare-fueled follow-up you've been craving, a tale that will plumb the bottomless depths of our yearning for more at the heart of the American dream.

HEADS OR TAILS, BATMAN WILL LOSE. Two-Face has always been viewed as Batman’s most tragic villain. If only Harvey Dent hadn’t been scarred by acid, he could have continued his good work as D.A.
